HELLO FRIEND

I'm Allie

I'm so glad you stumbled across my photography and I can't wait to get to know you!

I'm based in the Manawatu here in New Zealand, But I am ready to travel to wherever you are!

My passion is capturing love in all of its forms. Every love story is something I believe deserves to be frozen in time especially the engagement to the love of your life and of course, your wedding day!

My aim is to make sure you are comfortable, having fun and never feel awkward! I'm a pro at giving direction and prompting so you'll always know what to do in front of the camera. It's really important you get to know me on this journey and that i'm the right person for you to capture your day. So let's meet up for a coffee!

I can't wait to meet you and make your photo dreams come true.

The Experience

SERVICES GUIDE

The experience

For a little more information about what it's like having us capture your wedding.

01

Meet-me Consult

The first step in booking WildFlwer Photography for your wedding day is the meet-me consult. This is your chance to have a hot drink with me, so I can get to know what you and your fiancés love story is all about. Mostly we get to know each other so I can best capture what's important for you. From here you decide what package you want and we book you in!

02

Engagement Session

I reccommend all of my wedding clients have a go at an engagement session with me. This is a 30 minute adventure which will give you a great first hand experience on what it's like being infront of a camera if you haven't before. This way we will be super prepared for your big day + extra special photos to treasure

03

Bridal Boudoir Session

This is a great pre-wedding session to complete as a gift to your fiancé on the big day itself. A specially crafted wooden box filled with saucey photos to surprise your better half is the perfect way to celebrate your union. Let me be your ultimate hype woman and help you boost your confidence!

04

Sunset Session

This is included in our Marigold Collection. Experience your first sunset together as a married couple in a private moment with no one but each other and me at a distance. During this session we'd capture the most incredible frame worthy images to cherish for a lifetime.

Love Notes

ALLIE NOT ONLY CAPTURED OUR WEDDING EXACTLY HOW WE HOPED BUT SHE MADE EVERYTHING SO EFFORTLESS AND EASY. WE WOULD HIGHLY RECOMMEND FOR ANYONE LOOKING FOR A GREAT PHOTOGRAPHER.

Nikki + Kieran

WE CANT THANK ALLIE ENOUGH FOR HOW PROFESSIONAL AND EASY SHE MADE THIS PROCESS. OUR PHOTOS ARE BEYOND STUNNING.

Sherry + Jed

HIGHLY RECOMMEND MATT & ALLIE, YOU GUYS ARE AWESOME. THE CONNECTION AND VIBES WERE SO ON POINT. THEY ARE SUCH A COOL COUPLE AND WAS AWESOME HAVING THEM CAPTURE OUR BEAUTIFUL DAY

Shaz + John

what about a wedding film?

Glad you asked!

My extremely talented husband from ToInfinity Films captures, creates and produces wedding films alongside me.

We work together on most of my projects because our work goes so cohesively with each other. We only charge one travel fee if working out of town and let's be honest, there's no better duo than a husband and wife team. We offer a **FREE** engagement shoot when we are booked together. So make sure to ask about Wedding Video packages to add on.
